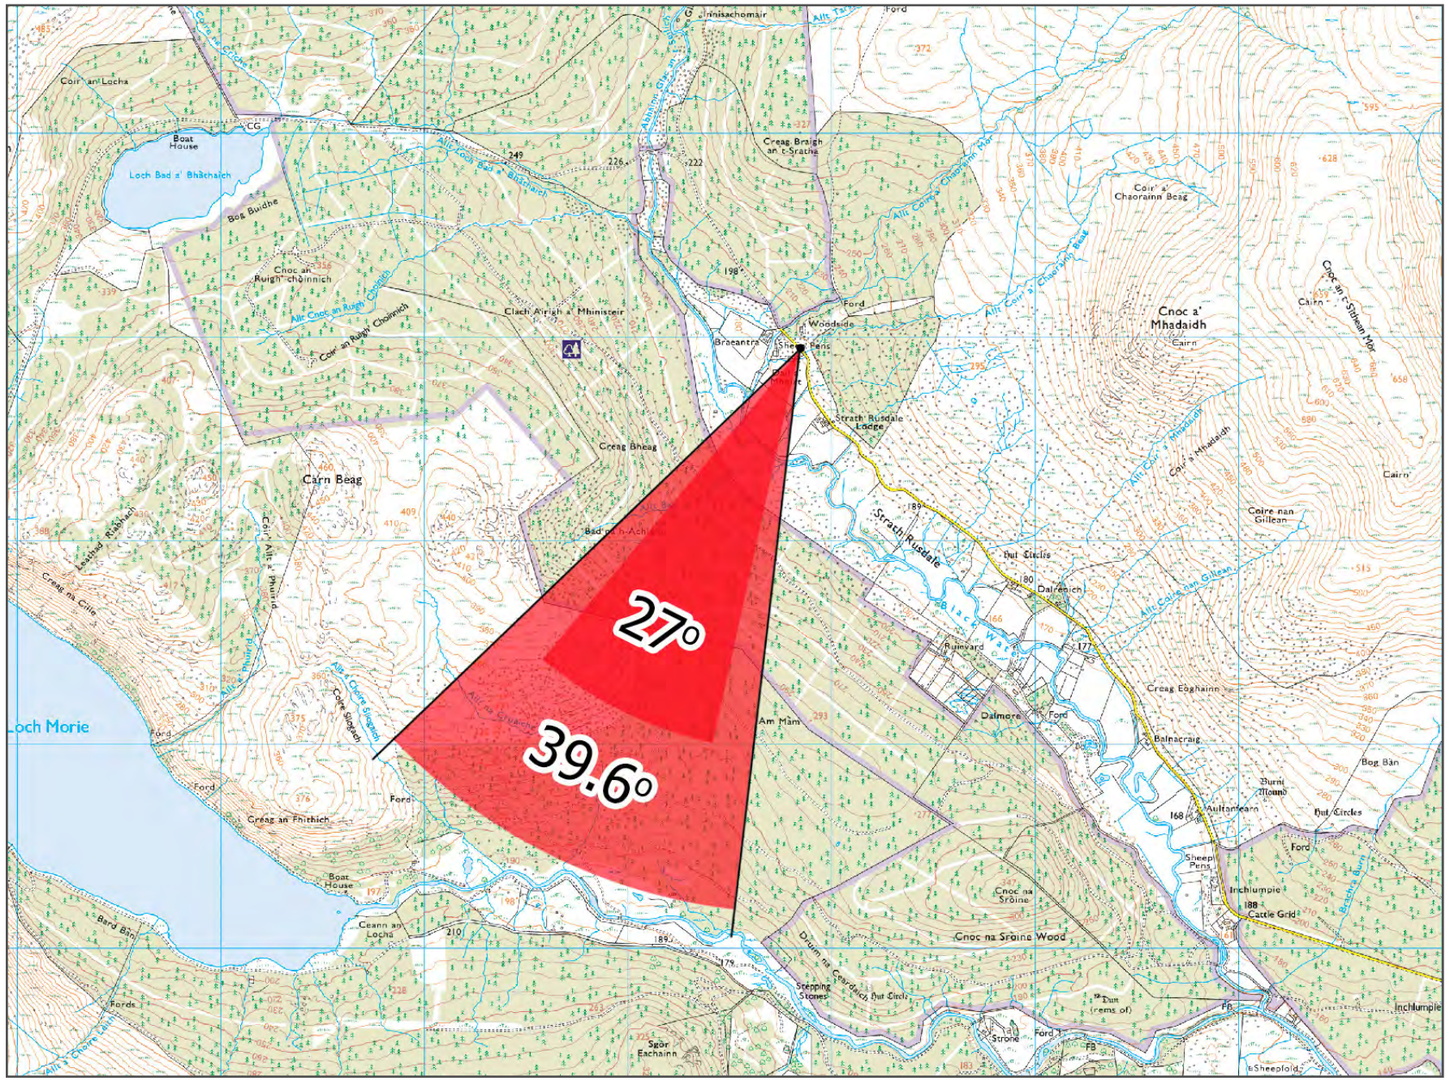

Figure 5.29j - Viewpoint 4: Strath Rusdale.

Grid Reference: 256846 877942 Distance to nearest turbine: 5.70km AOD: 198m

This viewpoint is located approximately 12km Northwest of Alness.

From Alness, take Ardross Road following signs for Ardross. After approximately 4.5km you will arrive at a junction signposted off left for Dublin and Strathrusdale. Turn left here and continue for a further 9km. You will cross a small bridge over a stream and then see a large stone turning area on your right. Park here.

The camera location is on the edge of the road at the entrance as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

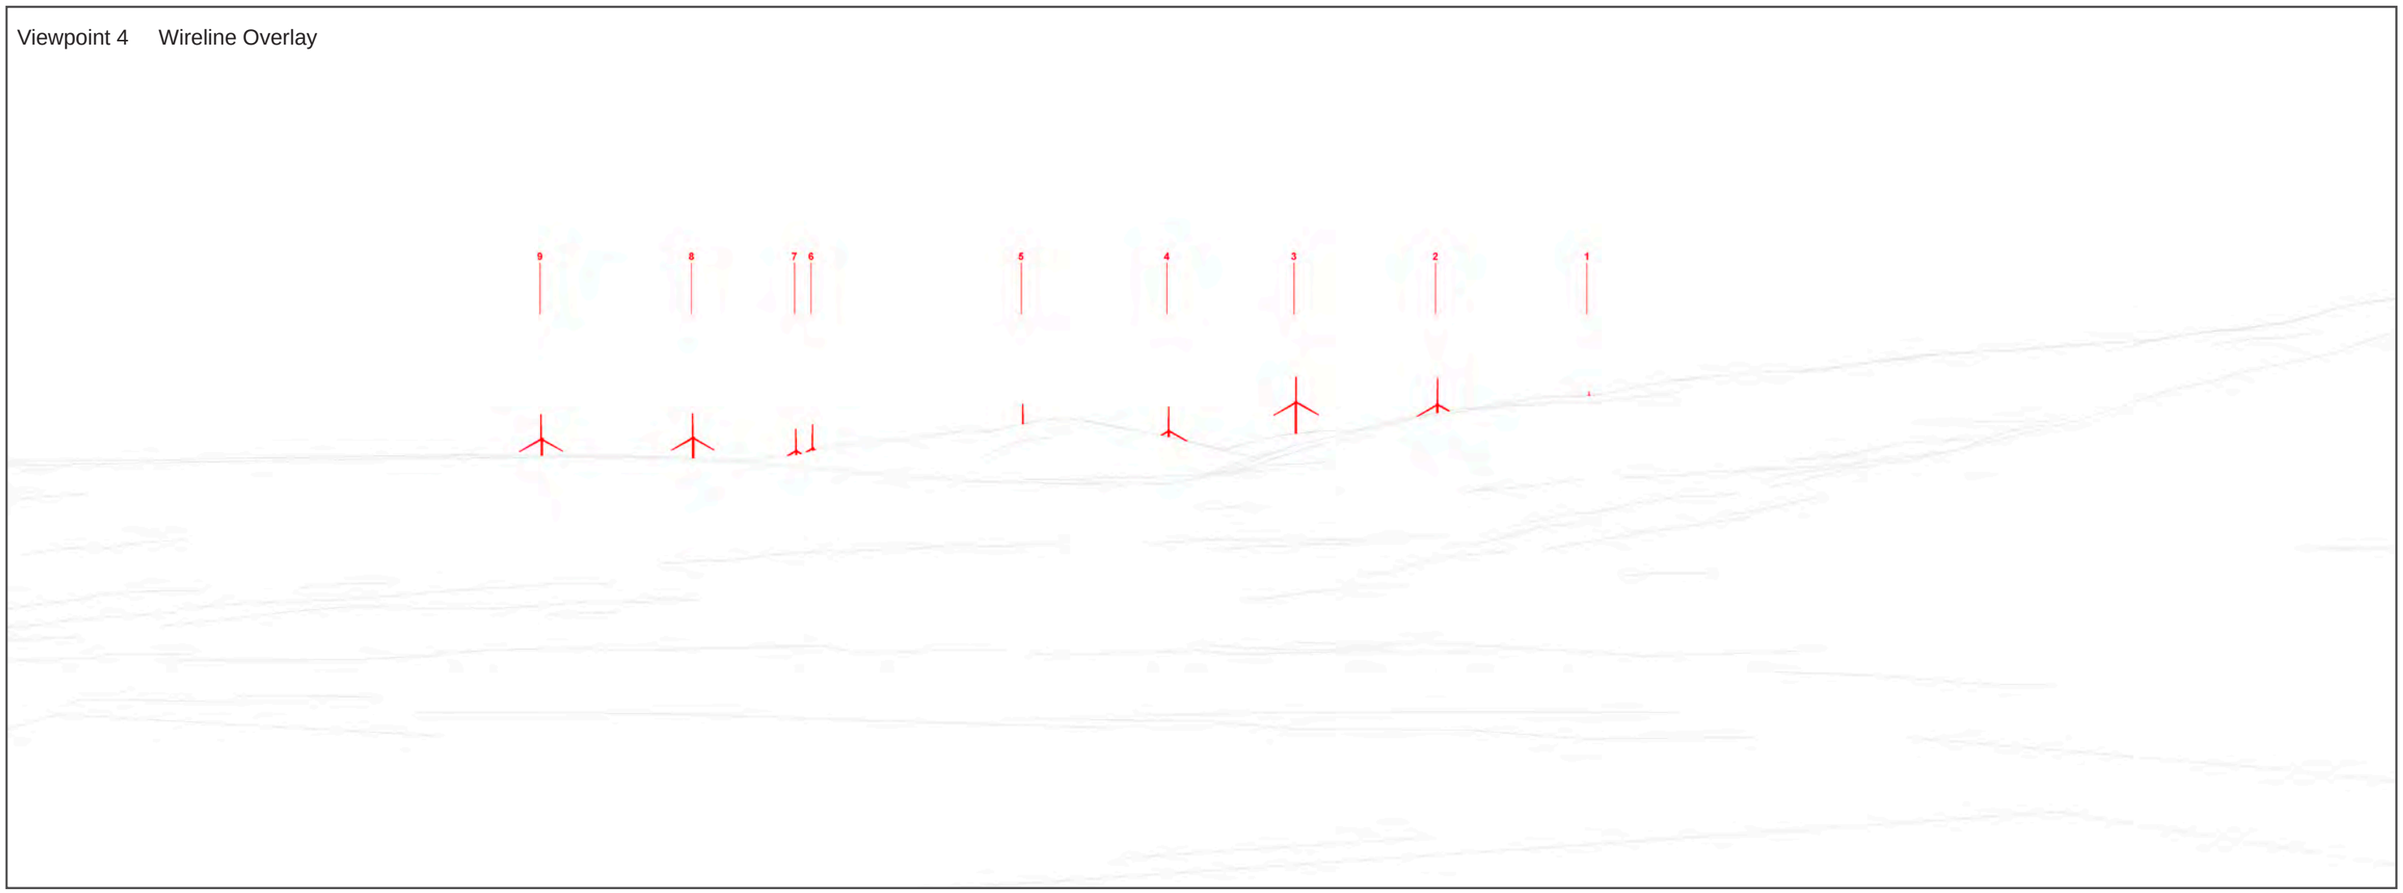

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
