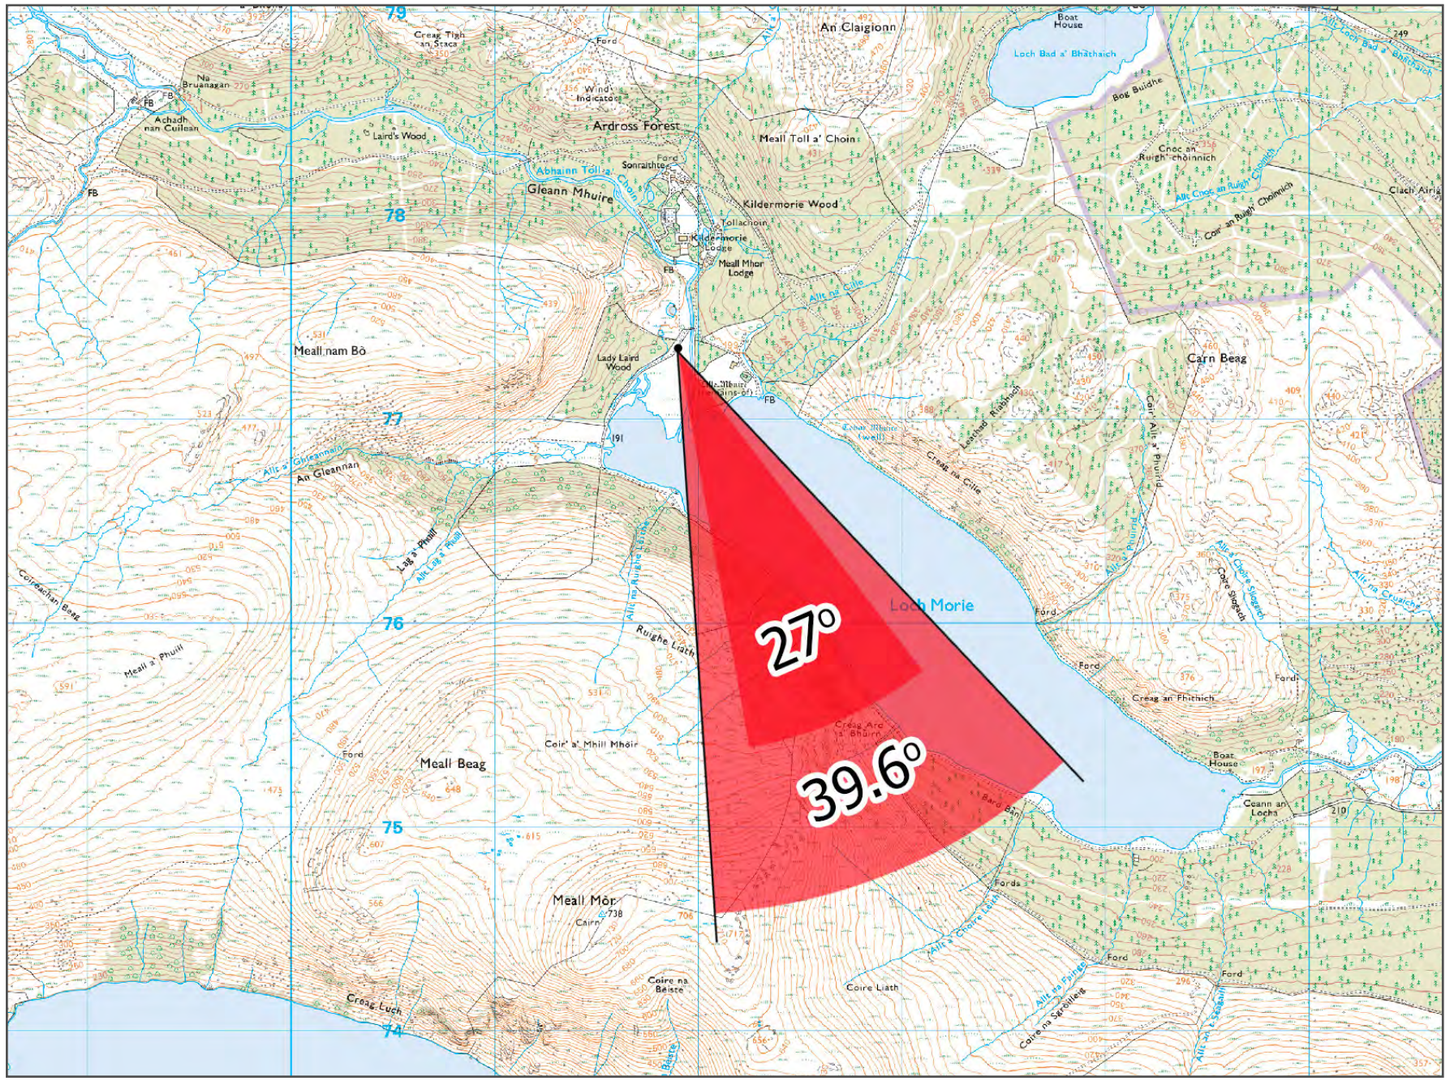

Figure 5.34h - Viewpoint 9: Loch Morie.

Grid Reference: 251899 877346 Distance to nearest turbine: 4.31km AOD: 197m

This viewpoint is located approximately 12km Northwest of Alness.

From Alness, take Ardross Road following signs for Ardross. After approximately 4.5km you will arrive at a junction signposted off left for Dublin and Strathrusdale. Turn left here and continue for a further 9km. You will cross a small bridge over a stream and then see a large stone turning area on your right. Keep on the main track for another 1000m at which point the track splits. Take the left-hand fork and follow the track down. Keep on this lower track until you approach Kildermorie Lodge Estate. Before reaching the estate buildings, find a suitable place to park on the track. Now on foot navigate through the estate and down the track that leads to the western end of Loch Morie. You will cross over the watercourse Abhainn na Glasa. Once over the bridge, the camera location is another 150m further on next to the pile of rocks on the verge

The camera location is on the track as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
