This viewpoint is located approximately 11.5km Northeast of Dingwall.

Travel north from Inverness on the A9 towards Tain. Just before the Cromarty bridge, take the turning off right on to the B9163 signposted to Findon and Cromarty. Continue on looking out for the turning off right to Culbo and Drumdyre. Turn right here. Keep on this road for 3.5km afterwhich you will reach a point in the road with entensive views North across fields and the Cromarty Firth. There is a track on your right leading up to Brae Farm. Find a suitable place to park.

The camera location is on the roadside at the field entrance next to a telegraph pole as shown in the adjacent photograph

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

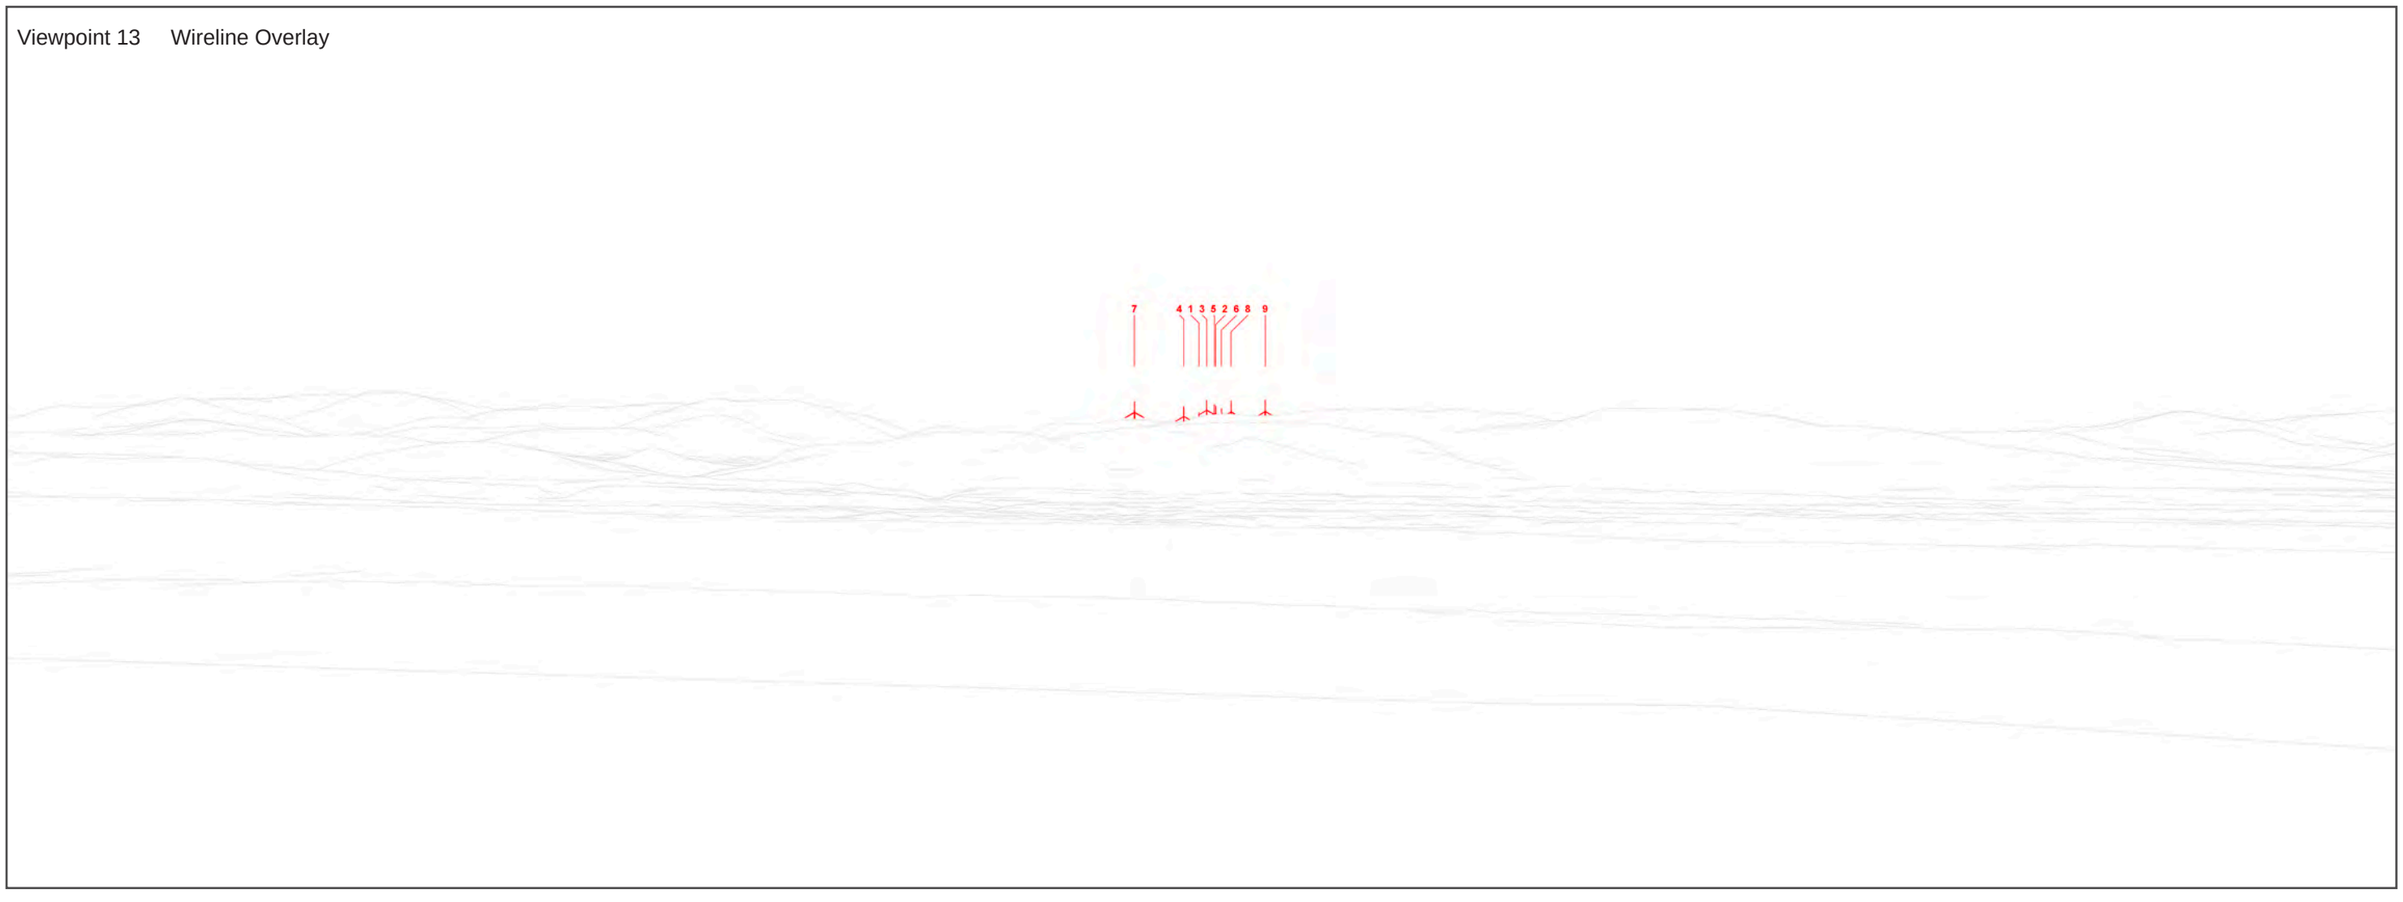

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
