This viewpoint is located approximately 1.5km South of Dornoch.

Travelling north from Tain on the A9 continue for 10km crossing the Dornoch Firth Bridge and eventually coming to the turning off right for the A949 signposted to Dornoch and Embo. Turn right here and head to Dornoch. Once in Dornoch centre and at the junction, turn right following signs for the beach and the aerodrome. Follow the signs for the aerodrome car park turning right in to Airfield Road. Once at the aerodrome, park in the main car park. Now on foot take the footpath that heads east and circles around the airfield before turning south towards Dornoch Point. Stay on the path to the point.

The camera location is on the path at the point as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

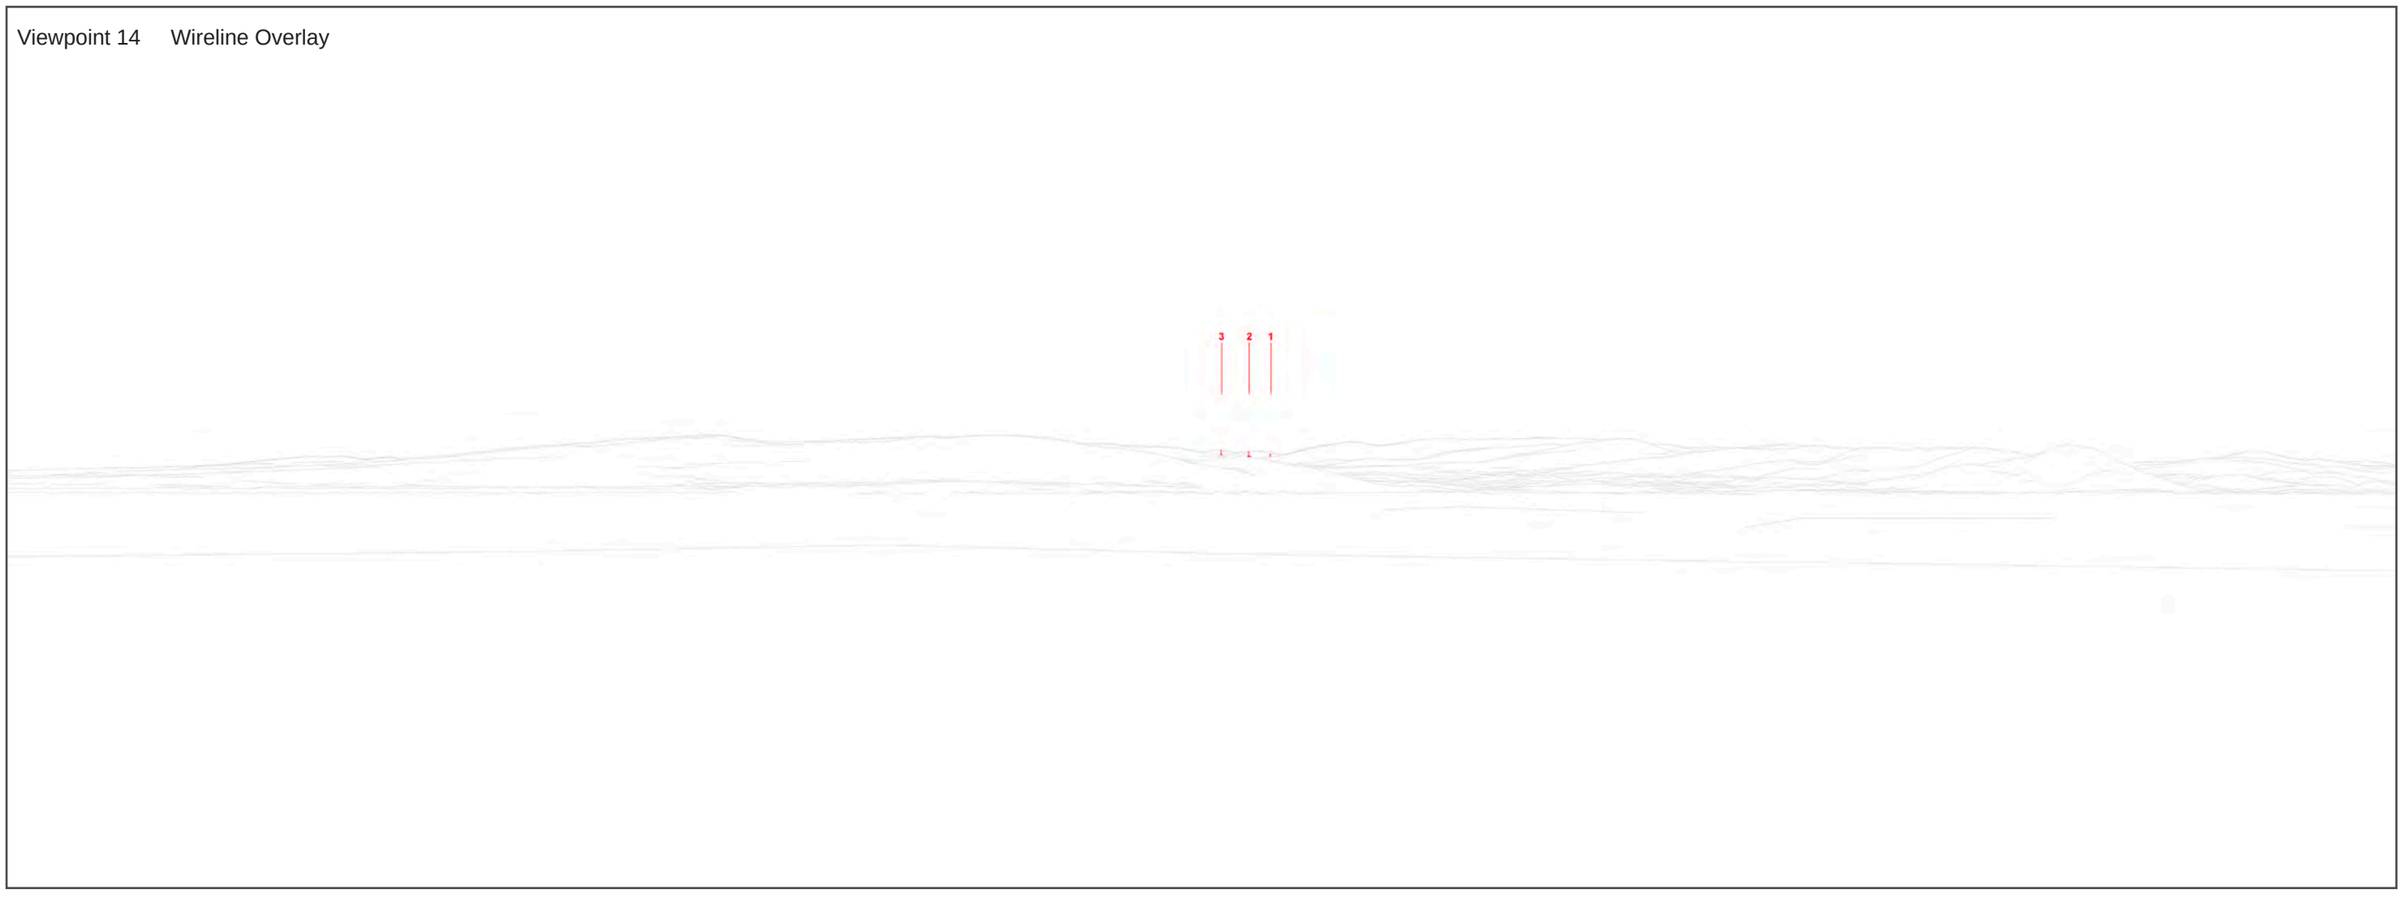

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
