This viewpoint is located approximately 5.5km South of Dingwall.

Travelling north from Inverness on the A9 cross over the Kessock Bridge and head on towards the first main roundabout. At the roundabout, take the second exit for the A835 signposted towards Ullapool and Dingwall. Continue on the A835 for 4.5km at which point you will reach the junction for the B9169 for Easter Kinkell and Culbokie. Turn right here and drive for 150m where you will see a small road heading off left signposted to Torgorm. Turn left here and park in the pull-off seen immediately on your right. Now on foot walk back up towards the junction with the A835.

The camera location is on the verge at the junction as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

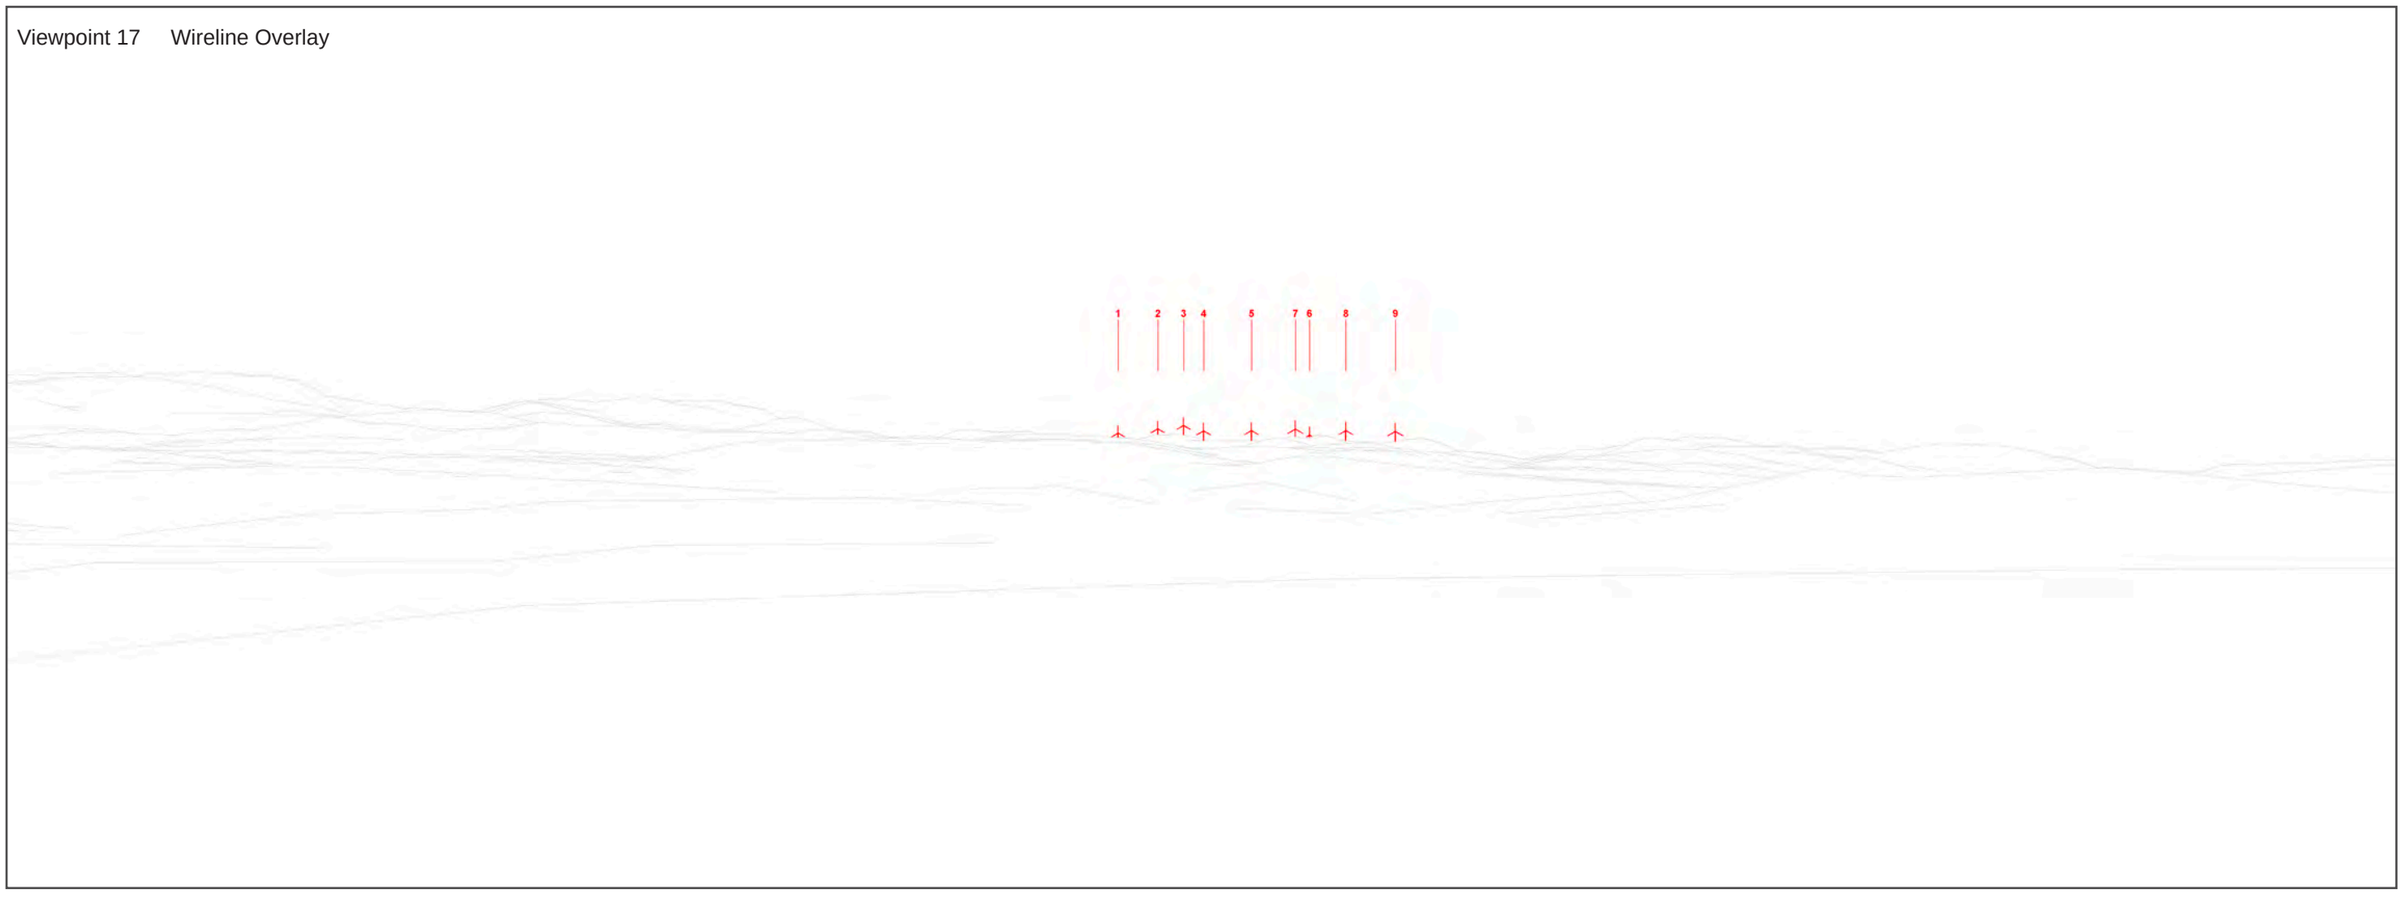

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
