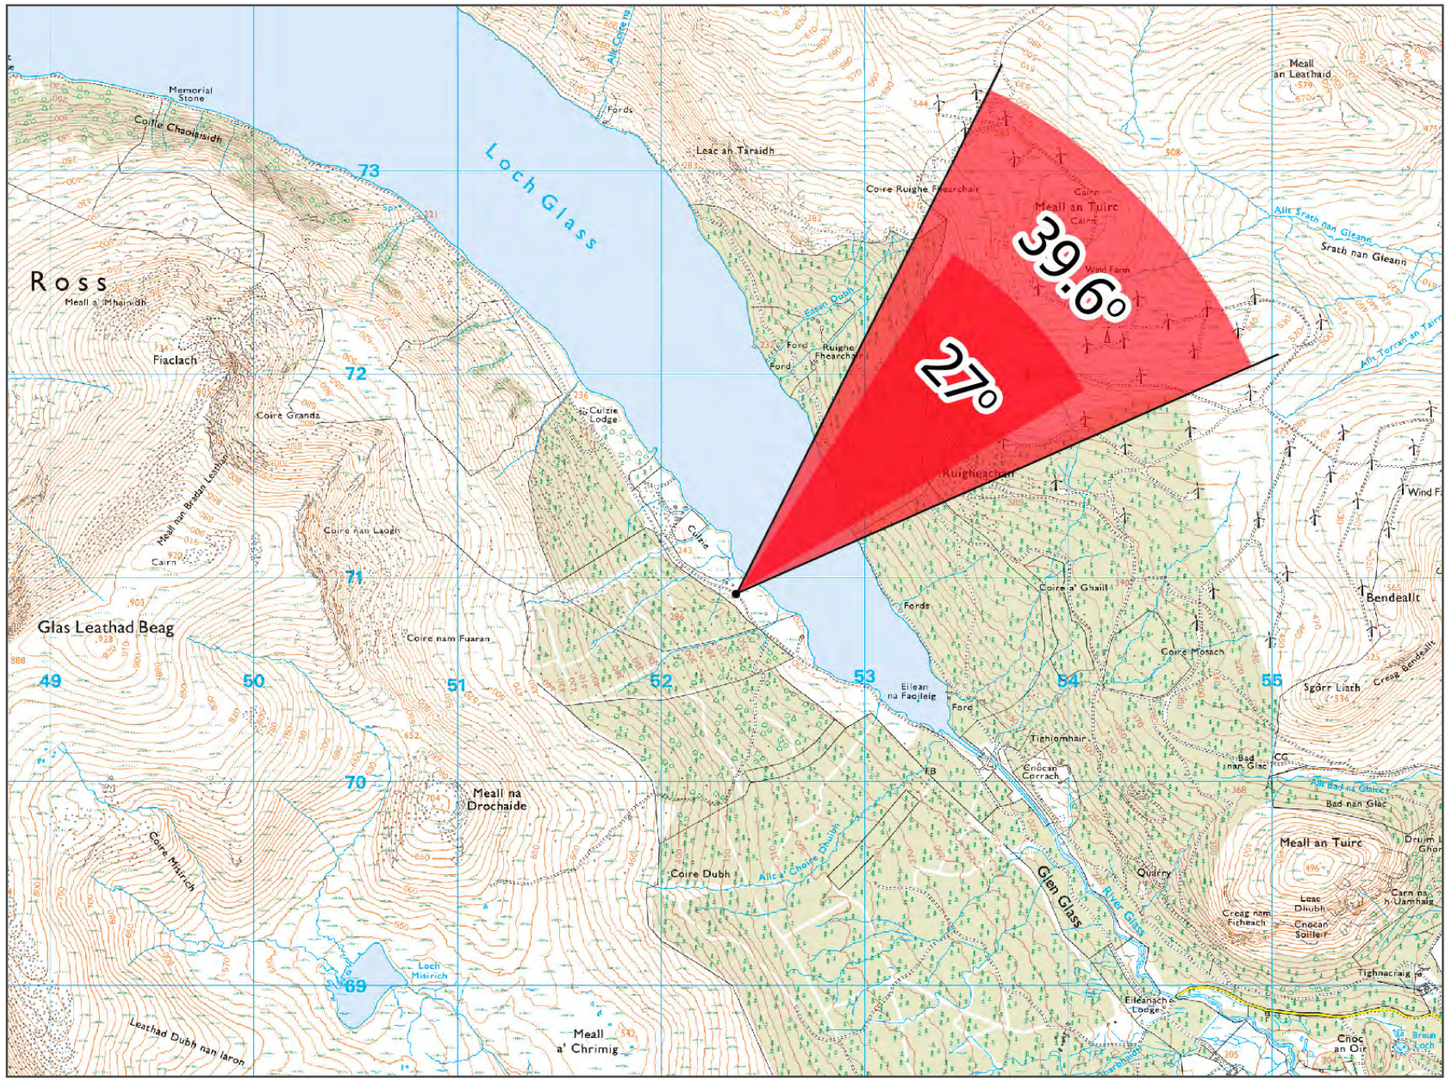

Figure 5.45i - Viewpoint 20: Glen Glass.

Grid Reference: 252365 870918 Distance to nearest turbine: 2.44km AOD: 234m

This viewpoint is located approximately 9.5km Northwest of Evanton.

From Evanton, take Glenglass Road following signs for Glenglass and Assynt. Continue for approximately 10km afterwhich you will arrive at the southern shores of Loch Glass. Find a suitable place to park here. Now on foot, walk along the track up the south side of Loch Glass.

The camera location is approximately 450m beyond the entrance to the Pink House as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

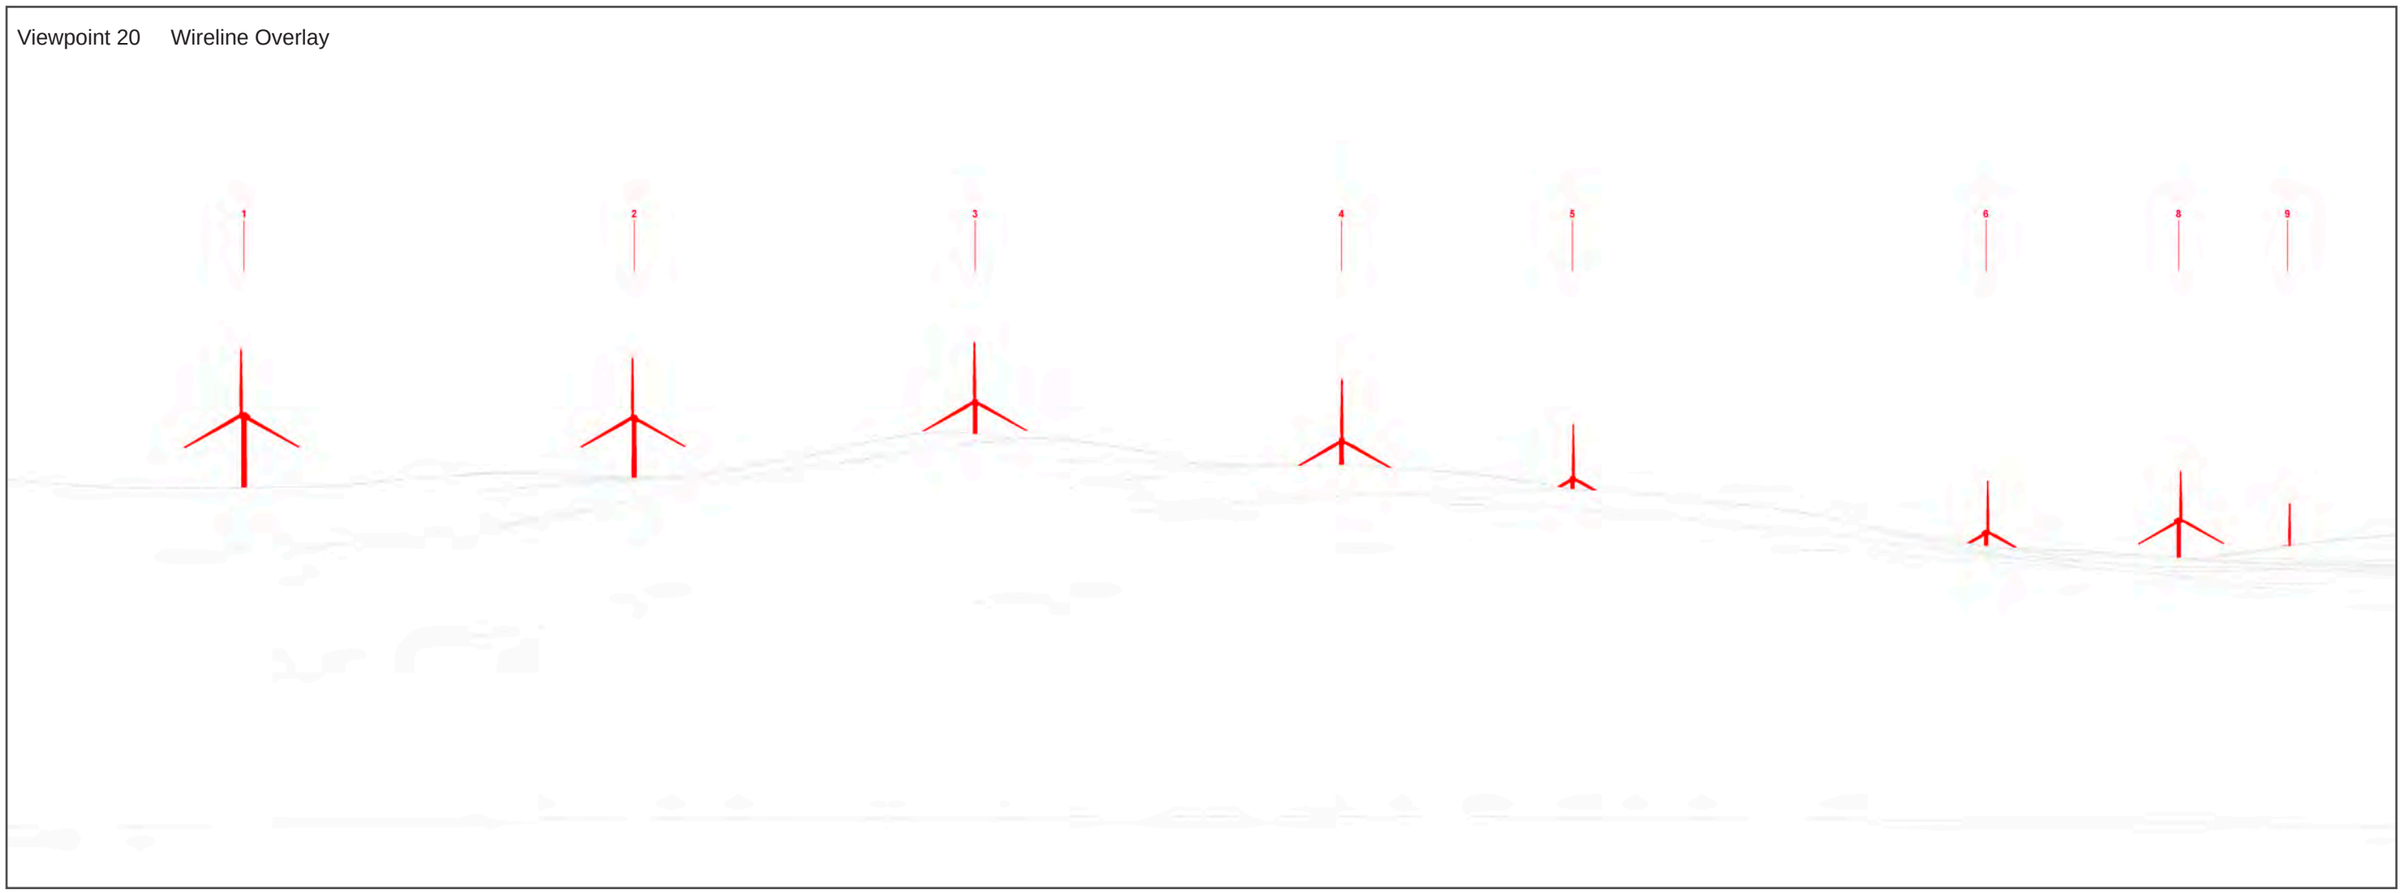

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
