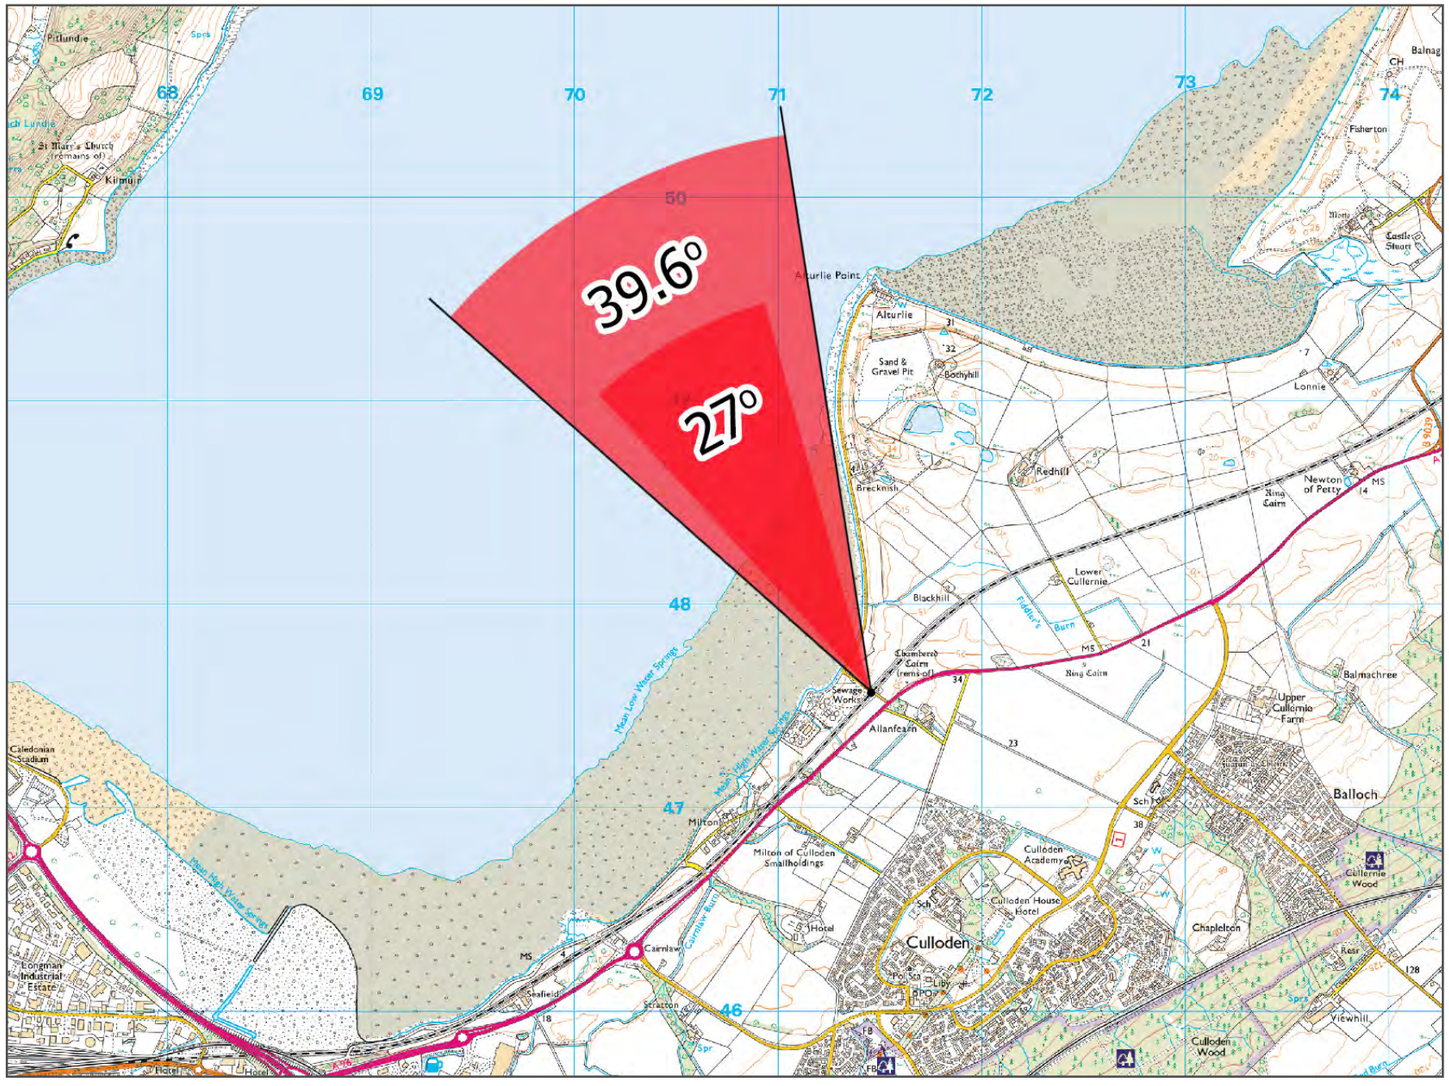

Figure 5.51h - Viewpoint 26: A96 between Nairn and the Inverness Retail Park.

Grid Reference: 271455 847562 Distance to nearest turbine: 28.43km AOD: 15m

This viewpoint is located 5km Northeast of the centre of Inverness.

From Inverness, take the A95 northeast towards the airport. Cross over two large roundabouts and on toward the waste water works on your left. Just after the works, take the left turning signposted Alturlie. Drop down towards the rail crossing. Park on the side of the road just before the crossing.

The camera location is over the crossing on the left hand side as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

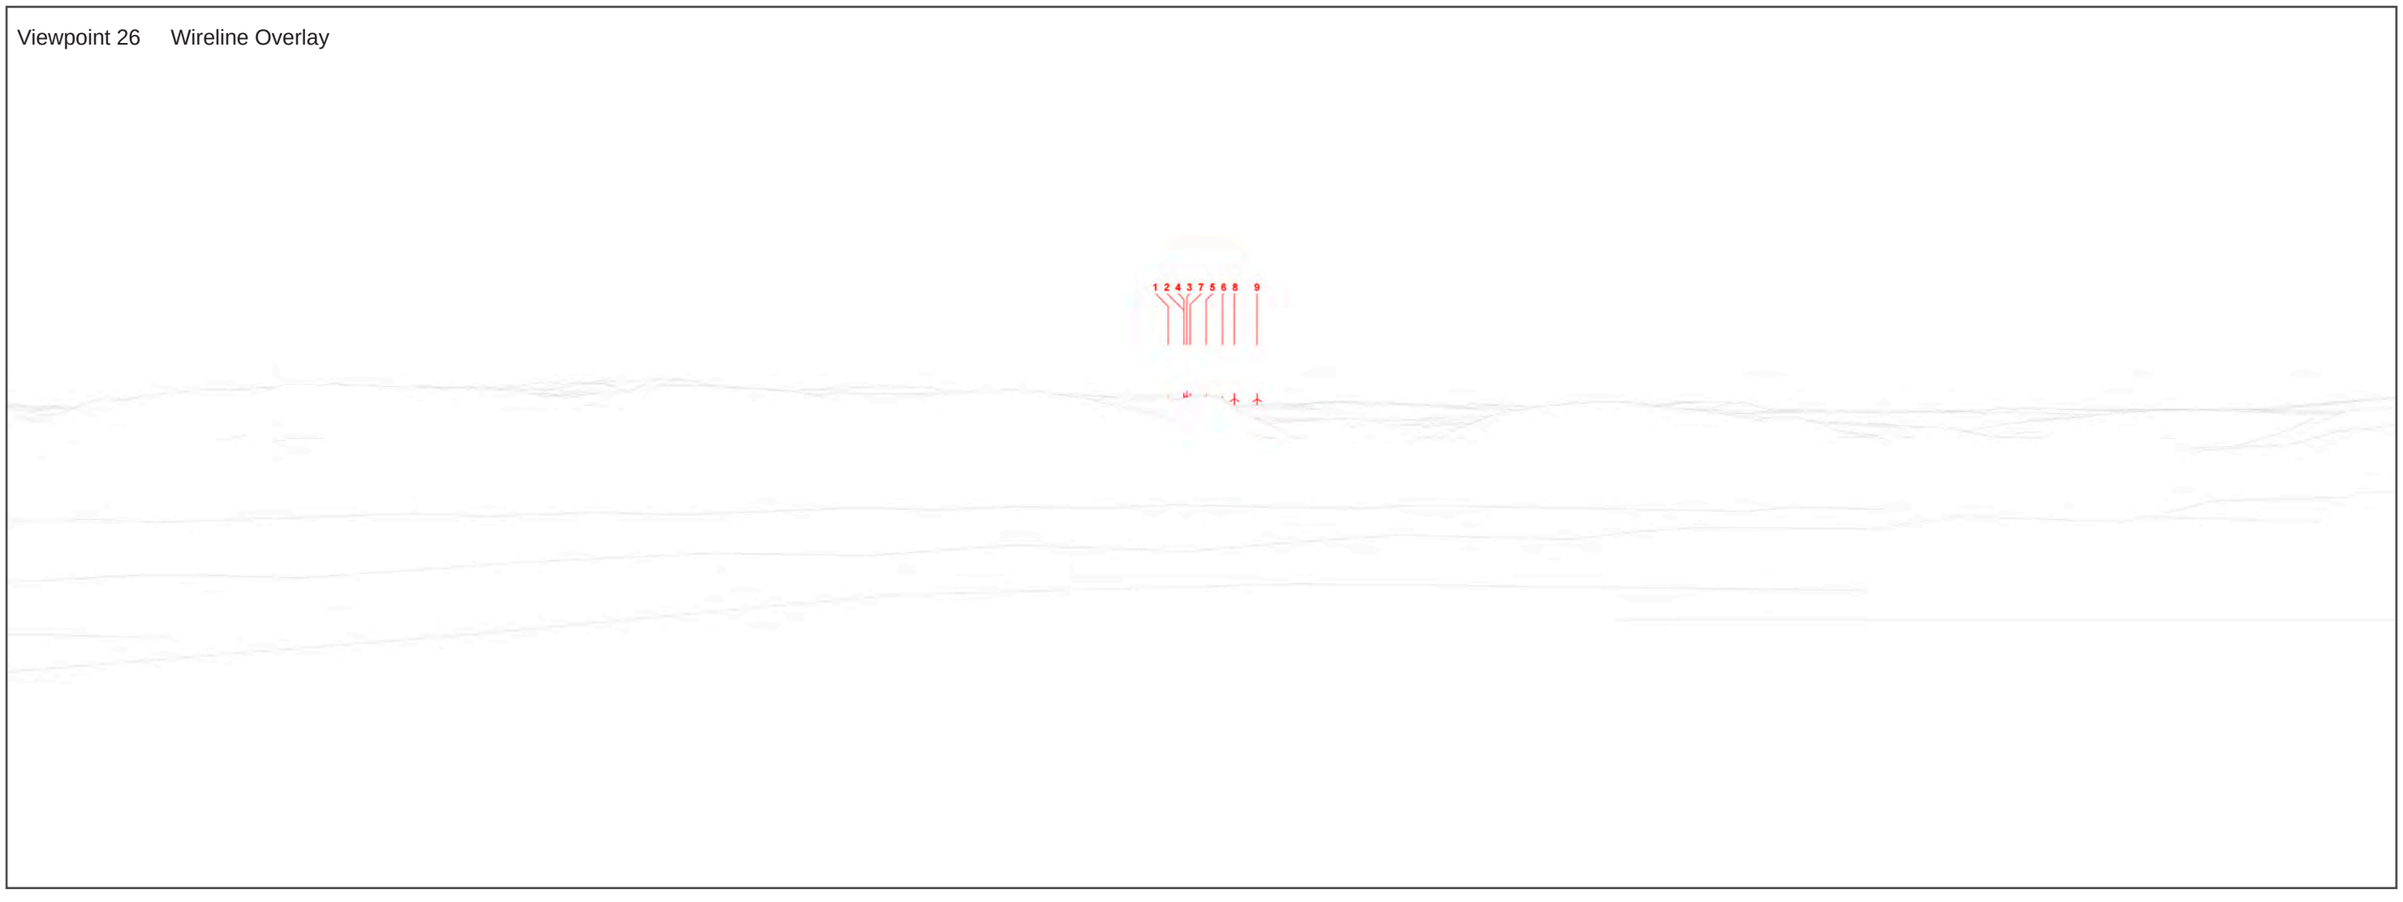

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
