This viewpoint is located approximately 6.5km Northwest of Alness.

From Alness, take Ardross Road following signs for Ardross. After approximately 4.5km you will arrive at a junction signposted off left for Dublin and Strathrusdale. Turn left here and continue for a further 2km. You will arrive at the church and a turning on your right marked Cnoc Ruadh. Turn right here and follow the road right up to the top where the loop of cottages are. Find a suitable place to park here. Now on foot, walk to the northwestern edge of the cottages. A path leads out in to the field. Take this path and the cairn can be seen 150m away to the left.

The camera location is at the cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

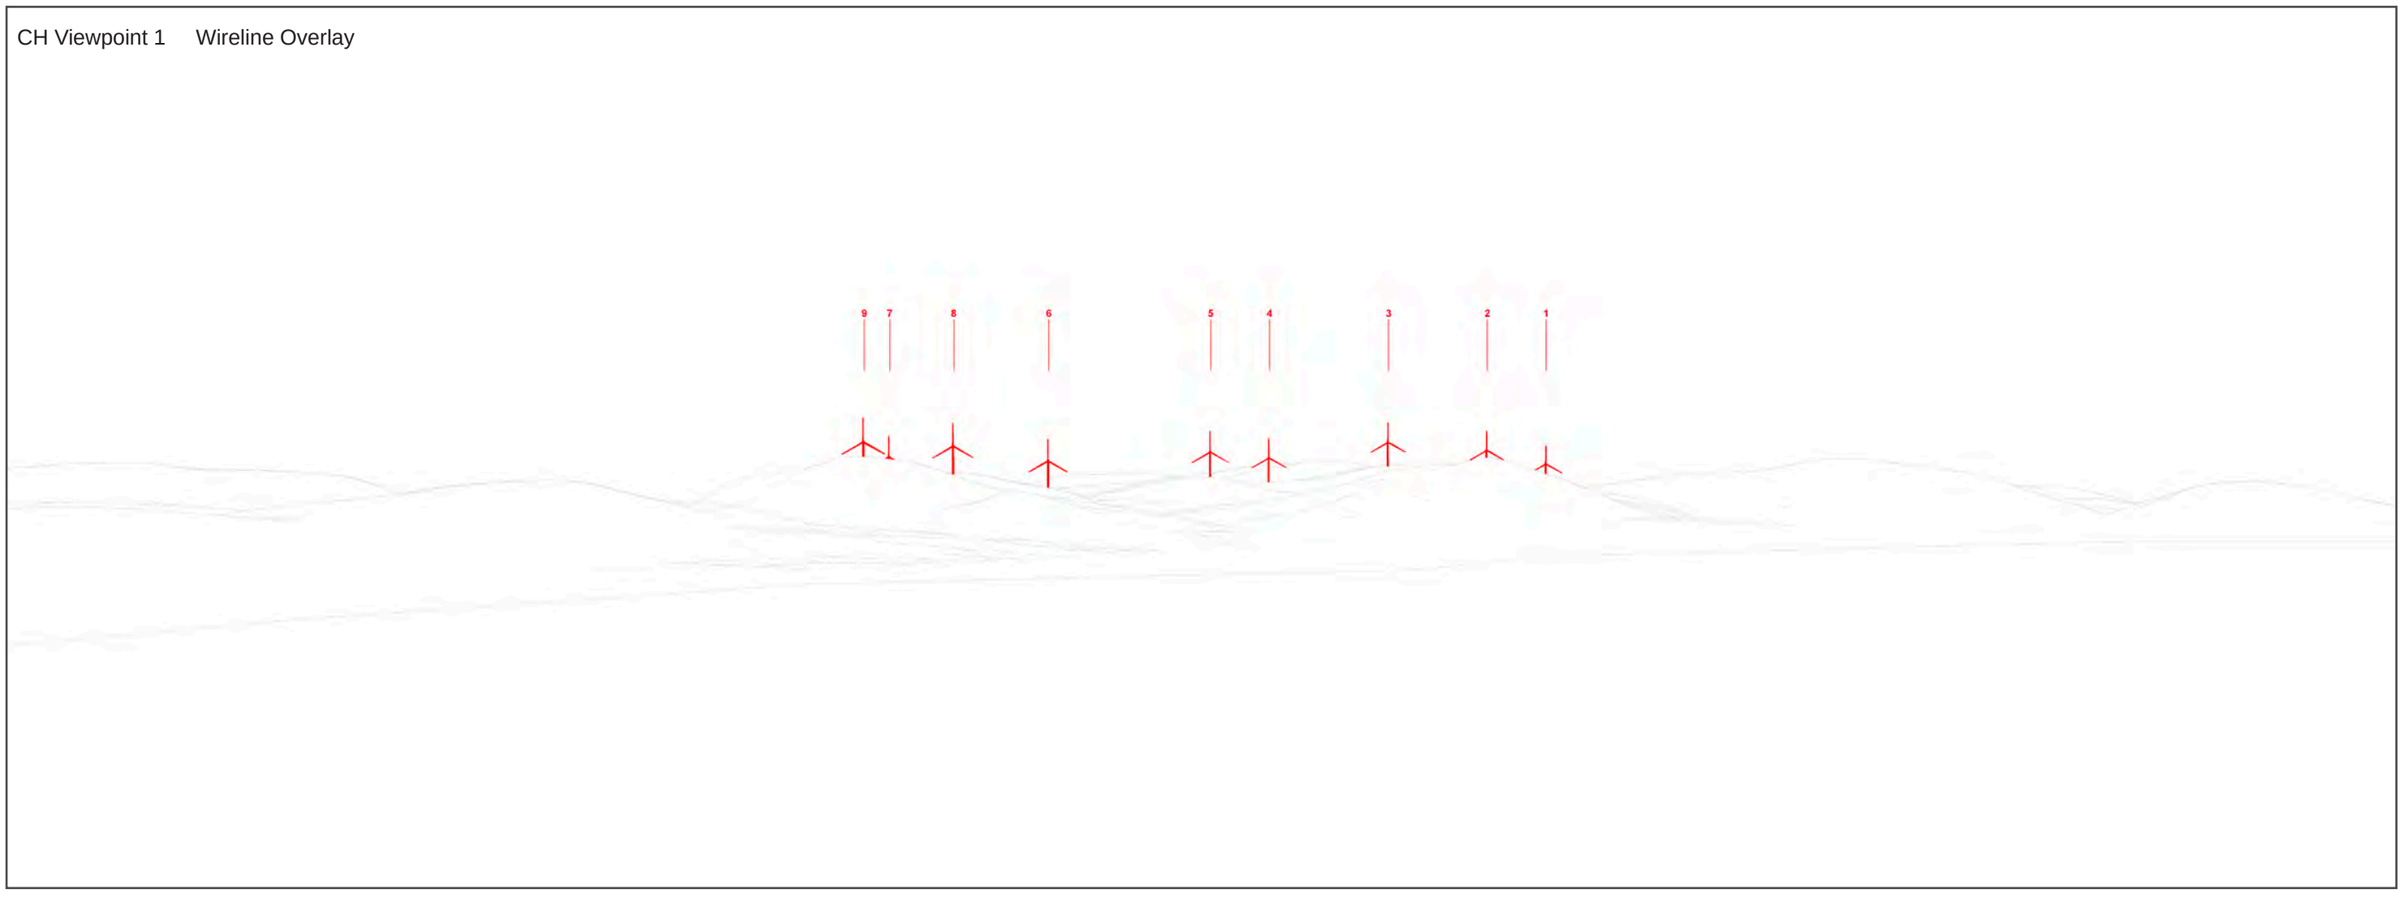

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
