This viewpoint is located approximately 14km Northwest of Evanton.

From Evanton, take Glenglass Road following signs for Glenglass and Assynt. Continue for approximately 10km afterwhich you will arrive at the southern shores of Loch Glass. Continue to the western end of the loch until you arrive at a fork in the track. Take the right fork and drive up through the trees to the lodge. Find a suitable place to park here.

The camera location is in front of the lodge as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

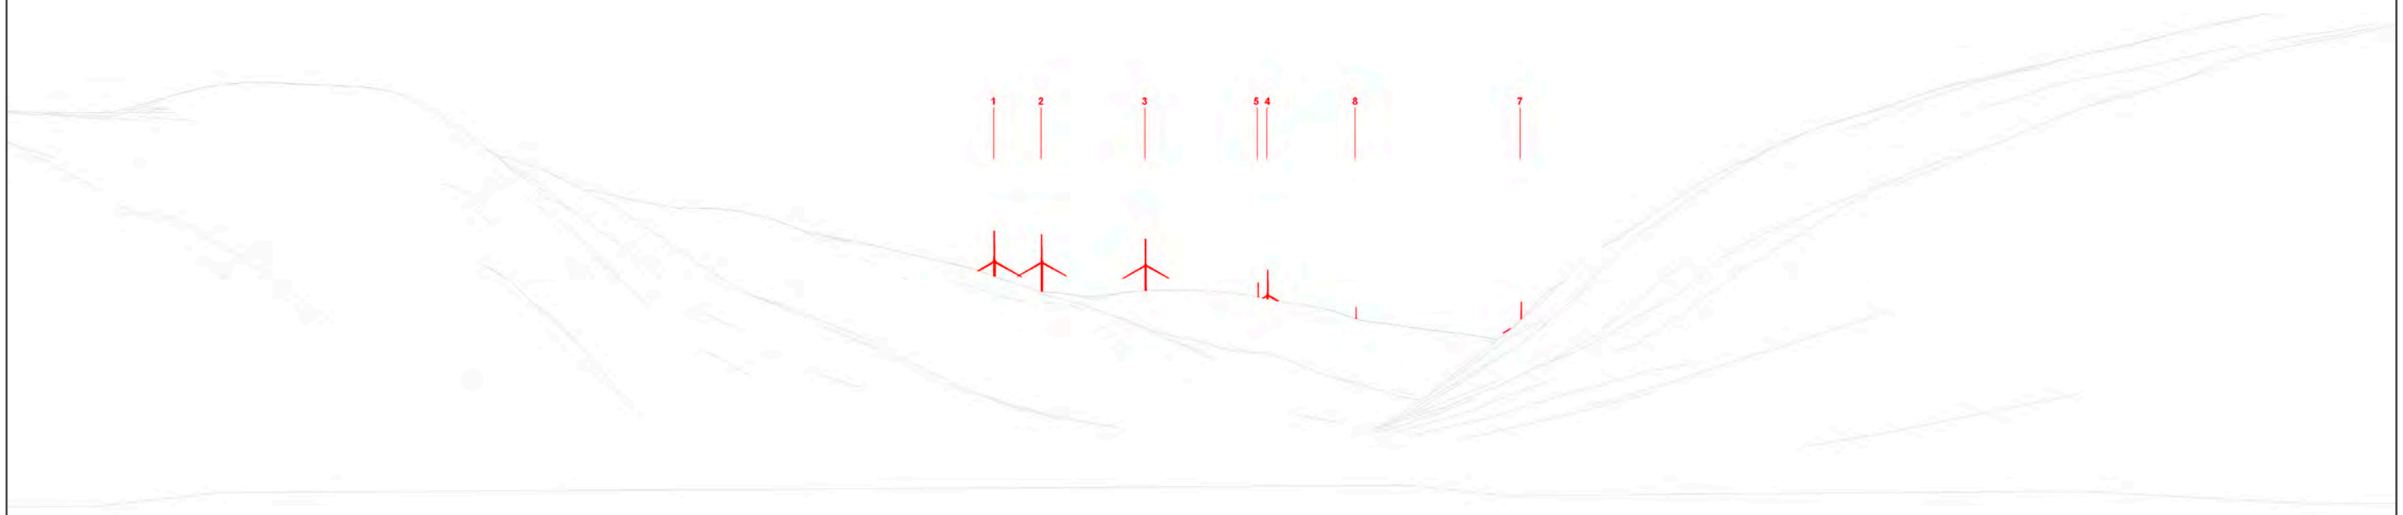

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
