This viewpoint is located approximately 9.5km North of Dingwall.

Travel north from Inverness on the A9 towards Tain. Continue over the bridge at Cromarty and turn right at the roundabout continuing towards Tain. Just after the roundabout, look out for signs to Evanton. Leave the A9 and travel in to Evanton. Once you reach Evanton, take Glenglass Road following signs for Glenglass and Assynt. Continue for approximately 8km after-which you will arrive at Eileanach Lodge. Find a suitable place to park here.

From this point on it is strongly recommended that the user sources designated mapping for this walk. It is a short walk from the lodge up to the camera location.

The camera location is within the forestry clearing as shown on the above map and in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
